## NYX Integrated

GoldBlue P.L.C. can hereby announce that the company's subsidiary has successfully integrated NYX to its platform. The game provider was launched in July 2014.

NYX provides games to the world's biggest and best performing operators. Whether it is content from NYX in-house gaming studios NextGen Gaming, Side City Studios, Betdigital and Game360 or from third party development studios via their OGS platform, NYX have one philosophy; amazing player experience equals amazing business results.
